

Your True Staffing Solutions Partner

Providing over 28 years of excellence in workforce solutions delivering superior service, including strategies to adapt in all hiring environments.

As a preferred partner to Cornell University, Panther brings extensive experience in Higher Education, establishing strong relationships, dedicated to collaboration and success.

The Panther Difference

Longevity

In business for over 28 years, we have built long lasting partnerships and our longevity in the industry also attracts exceptional candidates. Our endurance is attributed to our adaptability in an ever evolving marketplace.

Success is in our Structure

To support your talent shortages, our infrastructure is designed to meet both short and long-term objectives. We have the capacity to react to immediate requirements as well as execute proactive strategies for hiring cycles.

Simplified Processes

We have built a customized staffing program to help streamline processes for you, from sourcing the right talent to onboarding, all while maintaining quality.

Commitment to Diversity

A leader in recruitment services for more than two decades, we are a minority owned, certified supplier, with strategies in place, to help support diversity recruitment initiatives.

PROFESSIONAL

Talent to execute business operations from front facing Customer Service, Administrative and Human Resources

ACCOUNTING & FINANCE
