CHOOSE A PLAN THAT WORKS FOR YOU

Cornell is proud to offer high quality health plan choices, all of which include comprehensive preventive and diagnostic medical care.

Empire Plan

Empire is a BlueCross BlueShield® Preferred Provider Organization (PPO) plan. This plan lets you go in or out of the Empire network for care. You can access top-quality services from physicians and facilities in the network who offer discounted negotiated rates. You may use out-of-network providers, but risk paying higher costs.

Empire is comprised of the following parts:

- Hospital Program administered by *Empire BlueCross BlueShield*
- Medical/Surgical Program administered by *UnitedHealthcare*®
- Mental Health and Substance Abuse Program administered by *Beacon Health Options Inc.*
- Prescription Drug Program administered by *CVS Caremark*®

Health Maintenance Organization (HMO) Plan

In the HMO plan, you choose an in-network primary care physician (PCP) for routine medical care and for referrals to specialists and hospitals. With this plan, you agree to only use in-network providers with all care referred by your PCP.

Eligibility for the HMO depends on the county in which your live or work

EmblemHealth Dental Plan

NYSHIP dental benefits, which you and your dependents become eligible for after satisfying a 56-day waiting period while in active employment, are provided through EmblemHealth. New York State pays the full cost of coverage. Benefits are paid according to a schedule of allowable charges and subject to an annual deductible.

Flexible Spending Accounts (FSAs)

An FSA allows you to set aside money for eligible medical, dental, vision or dependent care expenses on a pre-tax basis. Examples of eligible expenses include eyeglasses, hearing aids, health plan deductibles and out-of-pocket dental costs. A dependent care FSA can help pay for day care for dependents under age 13. The annual medical care maximum is \$2,750 per employee. And the dependent care annual household maximum is \$5,000.

SECURE YOUR FUTURE

Qualified contract college employees working full time for at least 12 months at Cornell University must enroll in one of the two New York State retirement programs below within 30 days from date of hire. In addition, the Cornell University Tax-Deferred Annuity Program (CUTDAP) benefit offers eligible employees a way to save more for their retirement income.

Employees' Retirement System (ERS) with New York State and Local Retirement System (NYSLRS)

The Employees' Retirement System (ERS) with New York State and Local Retirement Systems (NYSLRS) is a defined benefit (pension) system that provides retirement, disability and death benefits as legislated under New York State retirement law. Participation is mandatory for contract college non-exempt employees working full time or in a fixed-term position for at least 12 months. A new member is enrolled in Tier 6 with a 10-year vesting period and will make contributions based on pay level. The vesting period may be waived or reduced if you have prior active membership or if you buy back a previous membership in a New York State or New York City system. For more information, visit: <https://www.osc.state.ny.us/retirement?redirect=legacy>

State University of New York Optional Retirement Program (SUNY ORP)

The State University of New York Optional Retirement Program (SUNY ORP) is a defined contribution program that provides retirement contributions as an alternative to the ERS pension benefit. Eligible new participants are enrolled in Tier 6 with a 366-day vesting period and will make contributions based on pay level. You can choose to direct contributions among four investment service providers: AIG Retirement Services, Fidelity Investments, TIAA, and/or Voya. The vesting period is waived if you have a vested employer-funded retirement account with one of these investment service providers and provide proof to HR Services and Transition Center (HRSTC). For more information, visit: <https://www.suny.edu/retirement/orp/>

Cornell University Tax-Deferred Annuity Plan (CUTDAP) - 403(b)

The Cornell University Tax-Deferred Annuity Plan (CUTDAP) is a voluntary 403(b) plan that allows you to contribute additional retirement dollars directly from your pay, on a pre-tax basis. You vest immediately upon entry into this plan and you decide how to allocate your contributions to a variety of funds available through Fidelity Investments and/or TIAA. Maximum contributions are set annually by the IRS. For more information, visit: <https://hr.cornell.edu/benefits-pay/retirement-finances/retirement-and-savings/tax-deferred-annuity-tda>

CREATE A STRONG SAFETY NET

We offer a broad range of insurance options to protect you, your family, your pets and your possessions from the unexpected.

Disability & Leaves

Cornell Short-term Disability and Long-term Disability plans provide partial income benefits in the event you are unable to work due to an illness or injury unrelated to your job. You are automatically enrolled in short-term disability, which provides one-half of your base salary for up to 26 weeks. You are also automatically enrolled in long-term disability, which begins after six months of continuous total disability and covers 60% of your base salary until you are no longer disabled or reach Social Security retirement age.

The New York State Paid Family Leave benefit grants staff members time away from work with partial salary replacement to bond with a new child, care for a family member with a serious health condition, or for a qualifying military exigency. Academic Parental Leave provides full pay and partial relief from duties.

Life Insurance

Cornell provides basic life insurance through New York Life Group Benefit Solutions that is equal to one-half of your budgeted annual salary, up to \$50,000 of coverage. You may also purchase Group Universal Life Insurance for up to 10 times your base annual salary rounded to the next higher thousand, up to a maximum of \$2,000,000.

Long-Term Care Insurance

This insurance helps cover the costs associated with extended long-term care due to a chronic illness or long-lasting disability. It can help with nursing home care costs as well as adult day care centers, assisted living facilities or home care. Coverage is available to all benefits-eligible employees, their spouses/domestic partners, parents/parents-in-law, grandparents/grandparents-in-law, and retirees and their spouses/domestic partners.

Personal Accident Insurance

This insurance protects your family's financial wellbeing in the event of loss by accidental means. You can elect coverage in \$10,000 increments from \$10,000 up to \$250,000. Elections in the \$250,000 to \$500,000 range cannot exceed 10 times your annual salary. Spouses/domestic partners may elect 50% or 100% of the faculty/staff election up to \$250,000. Coverage for children is available at 10% of the employee's coverage, up to a maximum of \$25,000.

Auto, Home & Pet

You may purchase auto, home and pet insurance through Mercer Voluntary Benefits. Payments will be spread over the policy term and automatically deducted from your paycheck. Mercer offers pet insurance through Nationwide, which reimburses you for vet bills for dogs, cats, birds and exotic pets. There is no network. You pay your vet's bill in full and file a claim with Nationwide to receive reimbursement.

Legal Insurance

You may purchase legal insurance offered by Mercer through ARAG. This coverage can be used to assist with reviewing and preparing legal documents such as wills, trusts and estate planning, and for legal advice and representation in court.

We understand the value of education. That's why we offer benefits that support your career and personal development, and education for your children, too.

Employee Degree and Tuition Aid Programs

The Employee Degree Program provides full tuition for eligible employees to pursue a Cornell University undergraduate or graduate degree that is current job-related or Cornell career-related. The Tuition Aid Program allows eligible employees to take job-related courses or earn a degree outside of Cornell with partial tuition reimbursement. See plan details for tax information.

CCTS provides the children of eligible employees a partial scholarship for study at Cornell or other accredited institutions.

This flexible savings program is designed to help families of all income levels save for college. Employees can enroll for as little as \$15 per pay period with after-tax payroll deductions. The program also offers an annual New York State income tax deduction for contributions up to \$5,000 for individuals and \$10,000 for married couples filing jointly. Qualified withdrawals are income tax free.

We value families and provide benefits to support those who depend on you.

Cornell University's Child Care Grant provides financial assistance by reimbursing benefit-eligible employees for child care expenses, including infant and toddler child care, pre- school/pre-K programs, care on school holidays, school-age summer day camps/programs, and school-age before/after school care, provided those expenses allow employees and their spouse or partner (if applicable) to work or to seek work. By providing employees with this fully-funded Grant, Cornell hopes to allow them to explore options and find creative solutions to some of the child care challenges they face.

Adoption Assistance

Cornell reimburses eligible employees for qualified adoption expenses up to \$5,000 per adoption (\$6,000 for a child with special needs). There is a maximum of three adoption reimbursements per family.
